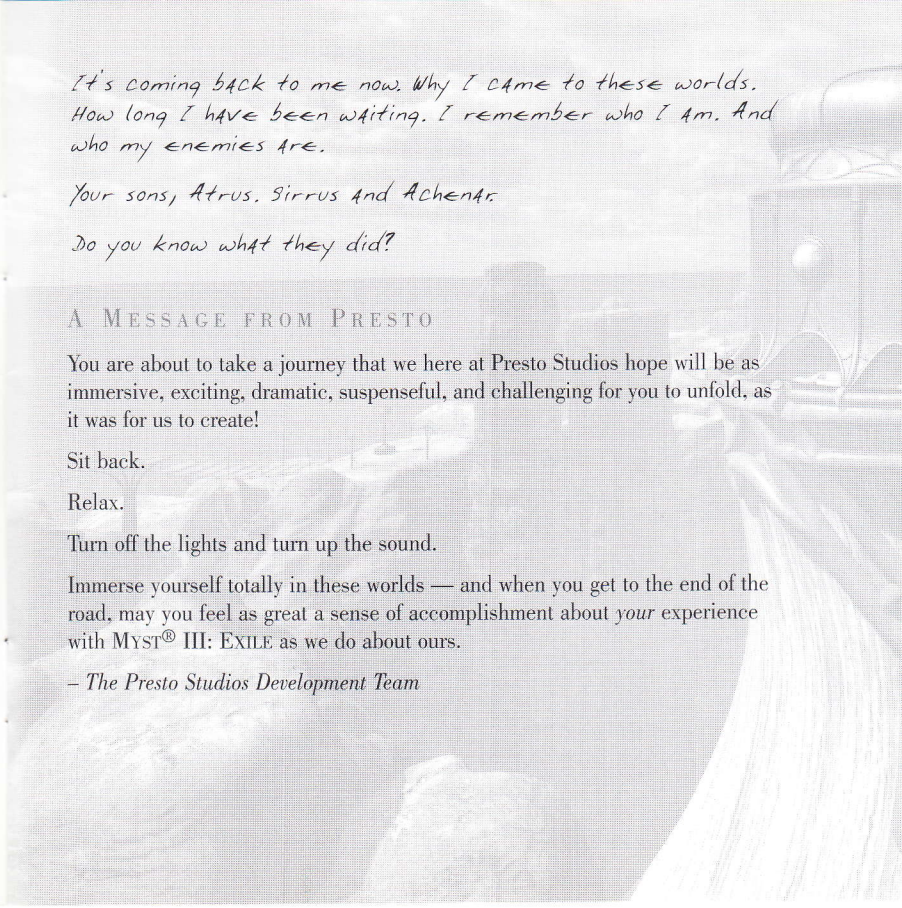
MYST III EXILE

User Manual



It's coming back to me now. Why I came to these worlds. How long I have been waiting. I remember who I am. And who my enemies are.
Your sons, Atrus, Sirrus and Achenar.
Do you know what they did?

A Message from Presto

You are about to take a journey that we here at Presto Studios hope will be as immersive, exciting, dramatic, suspenseful, and challenging for you to unfold, as it was for us to create!

Sit back.

Relax.

Turn off the lights and turn up the sound.

Immerse yourself totally in these worlds — and when you get to the end of the road, may you feel as great a sense of accomplishment about *your* experience with Myst® III: Exile as we do about ours.

Playing Myst III: Exile

Moving Around

Moving through Myst III: Exile is remarkably easy. Simply use the mouse or the keyboard arrow keys to position the cursor where you would like to go, then click the mouse button or press the spacebar. Don't forget to look up and down instead of only left and right. Sometimes important things are above or below you.

By default, the game is in Free Look Mode. In this mode, moving the mouse or pressing the keyboard arrow keys will look around the world, with the pointer in the center of your view. Right-clicking will change to Cursor Mode. In Cursor Mode, moving the mouse or pressing the keyboard arrow keys will move the pointer on the screen, without rotating your view. This will allow you to access inventory items below the main view window.

Zip Mode

Myst III: Exile has an option called "Zip Mode" that allows you to quickly move to places you have already explored. When Zip Mode is enabled in the Options menu, your pointer will turn into a lightning bolt over certain areas. Clicking the mouse will "zip" you to these areas immediately, skipping the locations in between. Remember, if you use Zip Mode too early or without care, you may miss some important details in the areas you are skipping.

Manipulating Objects

To interact with something in the world, just click on it. You can use th method to push buttons, open doors, turn wheels, examine letters, pick objects, and even talk to people! The cursor will change as described b depending on what sort of action clicking will perform.

There are a few limited objects that you can pick up and carry with yo When you click on these objects, they automatically come into your po sion. To access an item in your possession, click the right mouse butto Caps Lock to enter Cursor Mode, then move the pointer over the black at the bottom of the screen. Ubi Soft Limited Warranty

Ubi Soft warrants to the original purchaser of its products that the products would be free from defects in materials and workmanship for a period of ninety (90) days from the date of purchase. Ubi Soft products are sold "as is", without any expressed or implied warranties of any kind, and Ubi Soft is not liable for any losses or damages of any kind resulting from use of its products. Ubi Soft agrees for a period of ninety (90) days to either replace defective product free of charge provided you return the defective item with dated proof of purchase to the store from which the product was originally purchased or repair or replace the defective product at its option free of charge, when accompanied with a proof of purchase and sent to our offices postage prepaid. This warranty is not applicable to normal wear and tear, and shall be void if the defect in the product is found to be as a result of abuse, unreasonable use, mistreatment or neglect of the product.

Limitations

This warranty is in lieu of all other warranties and no other representations or claims of any nature shall be binding on, or obligate Ubi Soft. Any implied warranties applicable to Ubi Soft products, including warranties of merchantability and fitness for a particular purpose, are limited to the ninety (90) day period described above. In no event will Ubi Soft be liable for any special, incidental, or consequential damages resulting from possession, use, or malfunction of Ubi Soft products. Some states do not allow limitations as to how long an implied warranty lasts and/or exclusions or limitations of incidental or consequential damages. So the above limitations and/or exclusions of liability may not apply to you. This warranty gives you specific rights, and you may also have other rights that vary from state to state.

Notice

Ubi Soft reserves the right to make improvements in its products at any time and without notice.

Refunds

Ubi Soft cannot provide refunds or otherwise process returns for credit of any kind other than an identical product replacement. Any product refund request must occur at the place of purchase, as the individual retail outlets set their own refund policy. This policy covers identical product replacements only.

Product / Documentation Replacements

Please contact Ubi Soft Technical Support before sending your product to us. In many cases, a replacement is not the best solution. Our support representatives will help you determine if a replacement is necessary or available.

Within the 90-day warranty period:
Please return the product (media only) along with a copy of the original sales receipt, showi date of purchase, a brief description of the difficulty you are experiencing including your n address and phone number to the address below.
